

15-Pocket, Solid Wood Floor Literature Dispenser - 2-Sided

Product No. FLM06146 2-Sided

ASSEMBLY INSTRUCTIONS

Mount Literature Rack to Base

1. Stand the base upright.
2. Align the holes in the bottom of the literature rack with the holes in the base pedestal (be sure to remove the bottom acrylic pocket faces if they're in the rack).
3. Insert the included hex bolts into the pre-drilled holes & tighten with the hex wrench.
4. Tighten until snug - **DO NOT OVER TIGHTEN.**
5. Insert the bottom acrylic pocket faces back into the literature rack.

Included Hardware

Prior to assembly, be sure the included hardware is present. If you are missing any hardware, please call immediately.
