Product Parts

- 1 - Top Bar
- 2 - Vertical Bar w/Clamp (x2)
- 3 - Curved Vertical Bar (x2)

Display Set-Up

Step 1

Take out all parts and place them on a clean surface. Connect the Top Bar (1) to both Curved Vertical Bars (3) by sliding the Top Bar (1) into the long end of the Curved Vertical Bar (3) until the release button on the Top Bar (1) snaps into the 1st hole on the Curved Vertical Bar.

Step 2

Leave release button in the first hole for an 8 foot table. If sizing for a 6 foot table, press in the release button and continue sliding the Top Bar (1) until the release button snaps into the 2nd hole.

Step 3

Connect both Vertical Bars w/Clamps (2) to the ends of the Curved Vertical Bars (3) by sliding on to the recessed end of the Curved Vertical Bars (3).

Step 4

With two people, lift the assembled Over the Top Frame and slide the clamps onto the top of your table.

Display Set-Up Continued...

Step 5

When both Clamps are positioned in your desired location, turn the bolt on the bottom of the clamps to secure the frame to your table.

Step 6

Leave your frame in this position for the lower 6' height setting. If you are displaying a Tall Backwall at the 8' height setting, with two people, press the release button on both Vertical Bars w/Clamps (2) and simultaneously pull both of the Vertical bars up, until the release button clicks to secure the bars into place.

Step 7

Slide your graphic over the top of the frame.

Display Options

The adjustable frame expands from 6' to 8' in both width and height. Coordinate with a table throw for a complete look.

Over the Top Header shown on 6' UltraFit Table Throw

Over the Top Backwall shown on 6' UltraFit Table Throw

Over the Top Tall Backwall shown on 6' Standard Table Throw

Storage

Place all product parts into Carry Case and store in a cool dry location.

Care

To clean, wipe with damp cloth.

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
