

# Blouin Display Series Floor Kiosk

for Contemporary, Windsor, Modern & Traditional Line Floor Displays

ASSEMBLY INSTRUCTIONS

## Mount the Base to the Body:

1. Using two persons, carefully unpack the base & body components of the kiosk.
2. Lay the body down on a clean soft surface and tip up on it's side so it's perpendicular to the floor. *Be sure the body is continuously held stable by one or more persons.*
3. Slightly prop up the bottom of the body (approximately ½").
4. Align the holes in the base with the holes in the bottom of the body. Insert the hex bolts and secure with the hex key. *Tighten until snug - do not over tighten.*
5. Using two persons, tip the kiosk upright.
6. If the floor is uneven, use the floor levelers in the base to level the kiosk.
